

WIN FOR HUNTER

Last week's announcement that regional communities will receive \$4.154 billion for infrastructure as part of the Snowy Hydro

transaction was a huge win for the Hunter.

Premier Gladys Berejiklian, Deputy Premier John Barilaro and Treasurer Dominic Perrottet announced the Government had agreed to transfer its share of Snowy Hydro to the Commonwealth. This will create an investment bonanza in regional NSW with every cent of the proceeds going to rural and regional NSW.

The Hunter is the largest regional economy in NSW. I look forward to working with Councils, RDA, the business sector and community organisations to continue the record infrastructure in the Hunter.
